DR. JOHN BULL'S
Great Remedies.
DR. JOHN BULL'S
Concentrated Extract of
BUCHU
COMBINED WITH
Bromide of Potassium.

Purchase a bottle and carefully read directions.

BUCHU IS A STIMULANT, and of itself may fail to effect a cure. But Buchu, when skillfully combined with Bromide of Potassium, and other ingredients, produces a salutary effect, and causes health action, thus increasing the power of digestion, allaying irritation, reducing inflammation, and causing the repairs and nutritions in the human body to greater than the wastes, thus preventing decomposition and decay, and giving nourishment, with more power to sustain the system.

My Buchu is good for all diseases arising from excesses; such as, drunkenness, in the Barts and Legs. Taking in the region of the Heart, Weak Nerves, Pallid Countenance, Dryness of the Skin, Syphilis, in its many forms, Ulcers, and Tumors.

If your system is affected by any of the above symptoms and diseases, relief is at hand. Get a bottle of my Buchu and Bromide of Potassium at once, and you may rely on being cured.

The price just 10c. My record as a Compounder of Medicine is second to no man in the Southwest.

Twenty-five or thirty years ago, as my wife followed me in this counter in the city in which I now dwell, I have cured more people of various diseases than any physicians in Louisville or any other. Undoubtedly, every single patient that any Louisville physician has I have a bottle of my Buchu. I am no upstart of yesterday. My Medicine is a success, and success in the Southwest.

FRANCIS MILLER,
Manufacturer and Dealer in
CHILLS AND FEVER,

The proprietor of this celebrated medicine just claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy cure of Chills and Fever, including the Ague and the Gripes, and Chills and Fever, whether short or long standing. He refers to the entire Eastern and Southwestern country to bear his testimony, that no one can equal him in these respects. There is no one in the country who can cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and in others, a single dose has been cured by a single bottle, with a few drops of the tonic. A single dose of BULL'S ESBALBE TONIC PILLS will be sufficient.

BULL'S WORM DESTROYER.

Extract of a Letter from Georgia.
VILLANOW, WALKER COUNTY, Ga., June 20, 1866.

Dr. John Bull—Sir: I have recently given your Worm Destroyer several trials, and find it a most valuable medicine. It failed in a single instance, I have the wished for effect. I am doing a pretty large country practice, and have daily use for some article of the kind.

I am, sir, respectfully yours, J. P. CLEMENT, M. D.

P. S.—So unequalled and numerous are the testimonials in favor of my Worm Destroyer that newspaper space is entirely used up.

It is an infallible remedy for Worms. Try it and be convinced. See my journal for a more full description. JOHN BULL.

BULL'S SARSAPARILLA.

Sp. Louis, April 20, 1866.

Dr. John Bull—Dear Sir: Knowing the efficacy and beneficial qualities it possesses, I send you the following statement of my case:

I was wounded about two years ago—was taken to a surgeon, who said he could not do much. Being treated so often, my wounds have not healed yet. I have not sat up a moment since I was wounded. I am shot through the hips. My legs are in a cast. I am lame, and need something to assist me.

I have more faith in your Sarsaparilla than in anything else. I wish that that is genuine. Please express me half a dozen bottles, and a large quantity.

J. P. JOHNSON,

P. S.—Mr. Johnson was the son of a skillful surgeon. His mother recommended to his friends, and for many years used my Sarsaparilla with perfect success. I am told that the cures effected were almost miraculous.

Read my Journal for extended information and advice in your case. My friends, relatives and medical men, who are known here in this community for integrity and veracity, I have recently received a most remarkable certificate from an eminent gentleman of Louisville.

RAIN AND THUNDER STORM.—This evening was visited on Tuesday evening with rain accompanied by lightning and thunder, most bright and terrific. The flashes of lightning and peals of thunder followed each other in such rapid succession, that the way of elements resembled a grand artillery battle. Such a scene of vivid lightning and crashes of thunder were never witnessed or heard by the oldest inhabitant. We learn that the rain covered over a large portion of the county, and south of this place the wind does considerable damage to the growing corn—hurting many fields with the ground. Since the rain the weather has moderated from extreme heat to cool and pleasant.

WM. FRENZ, Chippewa, Ky.

INTERNEUR, INSANITY AND SCHIZOPHRENIA.—Dr. W. R. Burke poisoned himself in the poor house, at Cairo on Wednesday night. He was once a wealthy, popular practicing physician in that city. He became addicted to dissipation a few years since and lost all his property. His wife became insane, and is now an inmate of Jacksonville Asylum. He was originally from Virginia, where his relatives now live.

WILLIAM FRENZ has just received a large and splendid stock of Gold, Silver and Jewelry of our selection, consisting in part of Ladies' Jet and Plated Sets, Bracelets, Necklaces, Gold and Plated Rings, Buttons and Charms, Gen's Pins, Silks and Satins, Handbags, Jewelry and Venetian Chains. Bed, Flower and Work Baskets, &c., all of which will be sold to customers at less than city prices. Call and see for yourselves.

THE MISSISSIPPI RIVER ROAD A FAILURE.—It appears that the proposed Mississippi River Road is a total failure. President Norton requires Dyer county to subscribe two hundred thousand dollars, whereupon the Dyersburg Gazette, hitherto an enthusiastic supporter of the road, says:

"The property of Dyersburg is assessed at one hundred and sixty thousand dollars. Our citizens will not vote upon themselves such a heavy tax. Two hundred thousand dollars cannot be raised in Dyer county. Hence, the Mississippi River Railroad is a failure. Our people believe, and we think justly, that the little 63 mile Paducah and Gulf Railroad over-estimates its importance and safety, and will not be able to compete with the Illinois Central road company, but the road will be owned and operated by the Mobile & Ohio railroad.

Negotiations with the Louisville and Nashville Railroad have been closed, by the terms of which it purchases the Memphis, Clarksville and Louisville Railroad, agreeing to pay the price fixed by the compromise decree in favor of the Illinois Central railroad company, and the road will be owned and operated by the Mobile & Ohio railroad.

THE BROWNSVILLE *Beacon* has a long article in reference to some citizens of that locality who have lately returned from a visit to Denver in Colorado. They say that the air is bracing and beneficial to persons of weak lungs, but they were not so favorably impressed with Colorado as a country for farmers, as nothing in the shape of a crop can be raised without irrigation.

RUNYON'S HOR CHOLERA MEDICINE.—Our friend W. R. Walker, Druggist, has bought the exclusive right of Fulton County to prepare and sell this celebrated remedy for Hog Cholera. This specific is said to be an almost certain cure and prevention, and is so recommended by many of the largest hog raisers in the State. Mr. Walker is alone entitled to make and sell the medicine, and all wishing to give it a trial must apply to him.

THE STORM OF TUESDAY NIGHT AROUD.—The storm of Tuesday night was very severe in all directions in Tennessee. Along the Western end of the Nashville and Northwestern Railroad, which escaped uninjured, the storm became almost a hurricane, sweeping the trees down by the score. At Gleason a top of a house was taken off and other buildings were more or less injured. No body hurt. The storm was very severe at Nashville, but no great damage was sustained. At Memphis the storm surpassed anything witnessed there in years. The telegraph wires North were all prostrated, trees uprooted and vast damage done to crops.

JUST RECEIVED.—
2000 Rolls Wall Paper (new patterns),
2000 Paper Wind Blinds, etc., etc.,
For sale at the lowest market price by
WM. FRENZ.

THE GOLLLADAY DRAWING.—The July drawing of Golliday's Lottery, will occur at Hickman next Monday. We have nearly everybody in this vicinity have taken more or less chances, and of course feel a consequent interest in the turn of this "wheel of fortune." There are only a few who do not expect to draw the thousand dollar gold ticket, and they have made up their minds to be content with carriages, pianos, gold watches, etc. Our own hope is that all may realize their expectations. They advertise that the drawing is to be conducted by disinterested parties, and that the tickets will be drawn by little girls selected by the audience. If the whole affair is managed and controlled by disinterested citizens, entirely free from the control of the proprietors, we can't see why it should not be fair. Nevertheless we would advise no human being to invest in any kind of lottery. It is a master individual should decide for themselves.

FOR CHEWING TOBACCO, go to JOE'S.

THE near approach of our State elections demand our people's earnest attention whatever differences of opinion may exist among democrats in regard to local candidates and minor questions, should and will have no effect on the regular ticket, except perhaps to stir the respective supporters of each to turn out on the day of election, and swell the Gubernatorial vote.
